Subject: Directions

Here are directions from the airport to the Aspen Hotel, so you don't have to look it up.

Drive straight out of the airport across Willow. You will be on Airport something. You will pass Home Depot and Lowe's on either side of the street. At the light turn left. Drive about 10 miles to the Sterling Highway and turn right (this intersection is a "T"). The Aspen will be on the left behind Johnson's Tire and Arby's.

To get to the River Center from the Aspen - turn left at the light out of the Aspen. Cross the Kenai River and turn left at the next light onto Funny River Road (Kalifonsky Beach Road is the right turn). Drive approx 2 miles on Funny River Road. The Soldotna Airport will be on the right, the River Center is on the left after the "S" turns. The offices are on the left side of the building.

Both Kenai and Soldotna are ugly cities so don't be surprised.
